4RK9s is offering a terrific opportunity for you! The club has invited Bridget Carlsen, an accomplished and well-respected obedience trainer, to present an obedience seminar right here in eastern Iowa. This will be her only seminar in Iowa for 2010. Bridget and Hootie, one of her goldens, have just recently made breed history. Hootie became the only golden retriever to earn an OTCH, MACH, MH, UDX12 and QAA. Bridget and her golden, Soupy earned a placement while competing on the American Obedience team at Crufts. Bridget also has the only Norwich terrier to earn an OTCH. Bridget has been training dogs for over thirty years. A new puppy, Saucy, has joined the family. Bridget's many other accomplishments and training philosophies are documented on her Web site: [www.bridgetcarlsen.com](http://www.bridgetcarlsen.com).

This seminar is being held the weekend of March 27 -28, 2010 at the 4RK9s training facility, address listed above. Our training building has been renovated following the flood of 2008 and has wall to wall cushioned flooring. The available 20 working team slots have been filled. We encourage people who wish to observe and learn to audit the seminar for \$100.00. Much can be learned from simply watching and listening. We encourage you to consider auditing to still benefit from Bridget's expertise. No videotaping of the seminar will be allowed. There will be plenty of crating space for participating dogs. Lunches and snacks for all attendees will be provided both days.

We already have had a great deal of interest in this training opportunity, so get your registrations in early. Once we have received your deposit, we will send more specific information as well as a questionnaire which will be sent to Bridget. Your responses on this questionnaire will give her the specific concerns and training issues of each of the participants as she prepares for the seminar. Auditors are encouraged to come with questions and training issues as well. Bridget will be happy to address these in addition to her seminar agenda.
