

**NANCY REYES**  
**FOCUS AND ATTENTION and LEASH REACTIVE AND SHY AND FEARFUL DOGS**

MARCH 5<sup>th</sup> and 6<sup>th</sup>, 2011

Hosted by: 4RK9's Dog Training Club, at 910 2<sup>nd</sup> Avenue, SW, Cedar Rapids, IA 52404

**Saturday, March 5<sup>th</sup>** (8:30 a.m. to 4:00 p.m.) is a full-day workshop featuring **focus and attention** building skills. If you and your canine partner currently participate or plan to participate in any kind of competition, you know that one of the most important skills that you can have is getting and keeping your dog's attention. A dog that has learned to focus on you and the task at hand, ignoring any distractions, is a step ahead in learning any new behaviors. Nancy will teach skills to strengthen your relationship with your dog in this fun and unique workshop.

Enrollment is limited to 12 working teams - \$100.00. Unlimited auditing spots are available - \$50.00. Lunch will be provided.

**Sunday, March 6<sup>th</sup>** (8:00 a.m. to 11:00 a.m.) is a half-day workshop for **leash reactive dogs**. Does your dog bark, lunge and just generally carry on at the end of his leash when you are out for a walk or in public? Did you ever wonder what causes this behavior? In this workshop Nancy will explore the causes for these behaviors as well as teach new skills to help you cope with your dog's behavior in the short term and provide training techniques to reduce or eliminate these unwanted behaviors. She'll also discuss techniques for handling this type of dog in the traditional "classroom" environment.

Enrollment is limited to 6 working teams - \$60.00. Unlimited auditing spots are available - \$50.00 (allows you to audit both Sunday sessions). Lunch will be provided.

**Sunday, March 6<sup>th</sup>** (1:00 p.m. to 4:00 p.m.) is a half-day workshop for **shy and fearful dogs**. Is your dog nervous around other dogs, people or just when going out in public in general? If so, this workshop is designed for you. Nancy will explore some causes of these behaviors and how you may be inadvertently reinforcing them. She'll teach skills to help you cope with your dog's behavior and training techniques to increase your dog's confidence. She'll also discuss assisting dogs with these types of behavioral issues in a classroom environment.

Enrollment is limited to 6 working teams - \$60.00. Unlimited auditing spots are available - \$50.00 (allows you to audit both Sunday sessions).

Nancy will be available for private or semi-private consultations on Friday evening and after Saturday's workshop. The cost is \$50.00 for 30 minutes or \$90.00 for a full hour.
